

## **Emerald Woods Residents' Association Executive Meeting MINUTES**

Date: December 14, 2022, 7:15 pm (Facebook Video)

Attending: Goretta Pernitzky, Mark Vuotari, Christine Lowe

Regrets: Kim Tytler, Keely Storr, Christine Guptill, Jessica Bradley

- Goretta summarized the EWRA Children's Holiday Party. We had 16 children (and their parents/family) attend. One child did not attend so a call will be made to that parent to arrange for pick-up of their child's present. Craft stations and snack selection were well received, and comments and feedback were very positive. May want to consider reintroducing "Santa's" involvement for next year as some parents had looked forward to taking photos with Santa. Goretta will submit receipts for supplies and snacks to Keely. Discussed increasing the registration fee next year to offset increase in cost of room rental and supplies. Possibly cut the clean up time by ½ an hour to save on rental fee.
- Criminal behaviour was discussed as it relates to recent car break-ins, "porch pirates", the Kijiji scam and the assault on Bridlepath. Goretta will contact Councillor Bradley's office, Constable Cibischino and Constable Burleau to invite them to our next meeting scheduled for January 11<sup>th</sup> to discuss and residents will also be invited to join.
- Goretta discussed that we should have a second member of the Executive assigned to check emails regularly to assist Keely with responses to residents. A call was made for someone to volunteer for the position. This remains as an action item until next meeting.

Meeting adjourned at approximately 8:00 pm.
